I/We, the undersigned, have either been given the opportunity to see the proposed plan, dated: \_\_\_\_\_, in its entirety or have waived our right to do so. I/We have reviewed our neighbor's improvement(s) to their home/yard, which may affect our use of our easement area and/or our property.

They propose to:

---

---

---

---

---

The drainage pattern will be maintained, not altered and we continue to have access to our easement for maintenance purposes. If there are any changes to this improvement that affect the easement area after this date, the applicant must again provide us a chance to review said changes and submit a copy to the EbGCA office along with other documents for their application re-submittal.

We also understand that the applicant has the responsibility of notifying the EbGCA office of the project's completion within 30 days for closeout inspection.
